

# The key to a great restroom experience? Easy and quick soap refilling.

Tork Counter Mount Soap System — get complaints down and satisfaction up

# 87%

of employees  
say a clean office  
restroom makes  
them happy and  
well cared for<sup>1</sup>

## Why restrooms matter

67% of employees say they're more likely to complain about restrooms than any other aspect of their office.<sup>1</sup> For facility managers to keep ahead of complaints, it's important they keep restrooms in good shape.

.....

## Save time for cleaners and users

For cleaners, soap dispensers can be hard to service and slow to refill, wasting precious time.

For users, finding no soap is suboptimal and reason to complain.

# Deliver a consistent, high-quality experience with the Tork Counter Mount Soap System

## High-quality experience

- ✓ Stays primed for soap on demand
- ✓ High capacity 2L refill bottles serve up to 2,650 visitors between refills<sup>2</sup>
- ✓ Sensor dispensing for touch-free hand hygiene
